

# Dimensional Global Small Company Trust – Active ETF

As of March 31, 2026 (Updated Quarterly)

Source: CitiAU

Holdings are subject to change. The information below represents the Fund's holdings (excluding cash and cash equivalents) as of the date indicated, and may not be representative of current or future investments in the Fund. The information below should not be relied upon by the reader as research or investment advice regarding any security. This listing of portfolio holdings is for informational purposes only and should not be deemed a recommendation to buy the securities. The holdings information below does not constitute an offer to sell or a solicitation of an offer to buy any security. The holdings information has not been audited. This report may contain international future positions which are reported on a one-day lag.

By viewing this listing of portfolio holdings, you are agreeing to not redistribute the information and to not misuse this information to the detriment of portfolio shareholders. Misuse of this information includes, but is not limited to, (i) purchasing or selling any securities listed in the portfolio holdings solely in reliance upon this information; (ii) trading against any of the Funds or (iii) knowingly engaging in any trading practices that are damaging to Dimensional or one of the Funds.

Investors should consider the current Product Disclosure Statement (PDS) and the target market determination (TMD) that has been made for each financial product either issued or distributed by DFA Australia Limited prior to acquiring or continuing to hold any investment. Go to [dimensional.com/au-en/funds](https://dimensional.com/au-en/funds) to access a copy of the PDS or the relevant TMD
